

The Child Abuse Prevention Council would like to invite you to join us

**2019 Public Safety Day and Ducky Derby with the Stockton PD!**

This is a family focused event in downtown Stockton.

Four years ago the CAPC introduced their Annual Ducky Derby, which will continue as one of our three main fundraisers for the year.

The Ducky Derby supports the mission of the CAPC, which is to strengthen families and protect the children of our community.

While the first event, four years ago, was a resounding success with over 7,000 adopted ducks racing toward the finish line, and more than 300 people in attendance, the committee members and volunteers noticed that families would have benefited from a broader range of activities. So, starting in 2016, we have partnered with the Stockton Police Youth Activities and Police Department to present an entire day of family fun.

**Public Safety Day and Ducky Derby was a huge success in 2018**, as we raised a record amount to help children and families in crisis here in our community. Once again, our attendance is growing and is expected to exceed over 1,200 people for this free event.

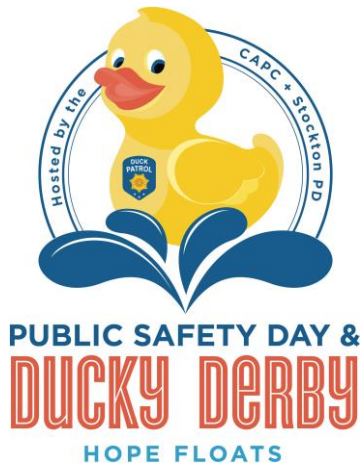

The Public Safety Day and Ducky Derby will feature: live entertainment, a bike rodeo sponsored by The California Highway Patrol and Stockton PD, police youth activities, motorcycle and K-9 Demos, Crime Prevention information, fingerprinting, displays for all ages, hands-on activities for kids and parents, as well as information and resource sharing.

The uniqueness of this event promises to draw significant media attention and become the must-see family-focused event in our community.

We hope you'll consider partnering with us in this highly visible event by becoming a **Sponsor**. Be a part of the excitement this spring as we draw families together and raise much needed funds for the CAPC!

Jump in on the ground floor and race alongside us to help every family in our community stand up strong and healthy!

For more information, contact Shauna Buzunis-Jacob (209) 644-5318.
